"We will take care of your logistics, you just sit back and relax."

About our company

We are an established clearing and forwarding company in India offering you customised clearing and forwarding services since past 35 years from Nhava Sheva, Mundra and Hazira Ports. In 1987, International Cargo Clearing Agencies came into being to provide a comprehensive range of export-oriented services to any corner of the world. Starting off by exporting some of the very first fabrics from the country, today, ICCA exports products like machinery, auto parts, diesel engine and its spare parts, dyes & dyes intermediates, rubber transmission belting, textiles, food colours, handicrafts, carpets, garments and many more. This coupled with a focus of achieving this through hard work, expertise, commitment, efficiency and the much-needed confidence has seen ICCA at the forefront of custom clearing & freight forwarding since last many decades. The company's constant endeavour is to see the smile on their customers' faces and a firm belief that nothing is impossible. Services such as up-to-date shipping information and other distribution services basically handling cargo from LCL to FCL containers of any kind till the destination.
